

RoHS Certificate of Compliance

1/2/2011

Practical Design Group, LLC is committed to managing the use of chemical substances in accordance with governmental regulations, industry standards, and customer-specific requirements in order to protect the environment. For each part listed, this document provides:

- **EU RoHS Compliance Status.** EU RoHS status is declared per Directive 2011/65/EU and its subsequent amendments. Homogeneous materials of parts that are compliant to this legislation have less than 0.1% by weight each of lead, mercury, hexavalent chromium, PBB, and PBDE, and 0.01% by weight of cadmium. In situations where an exemption applies, the preceding limits, corresponding to the exempted substance(s), may be higher.

Practical Design Group, LLC's sole liability for incorrectly certifying a product shall be either replacement of the Practical Design Group, LLC product or, alternatively and in the sole discretion of Practical Design Group, LLC, return of the purchase price paid for the relevant Practical Design Group, LLC product.
